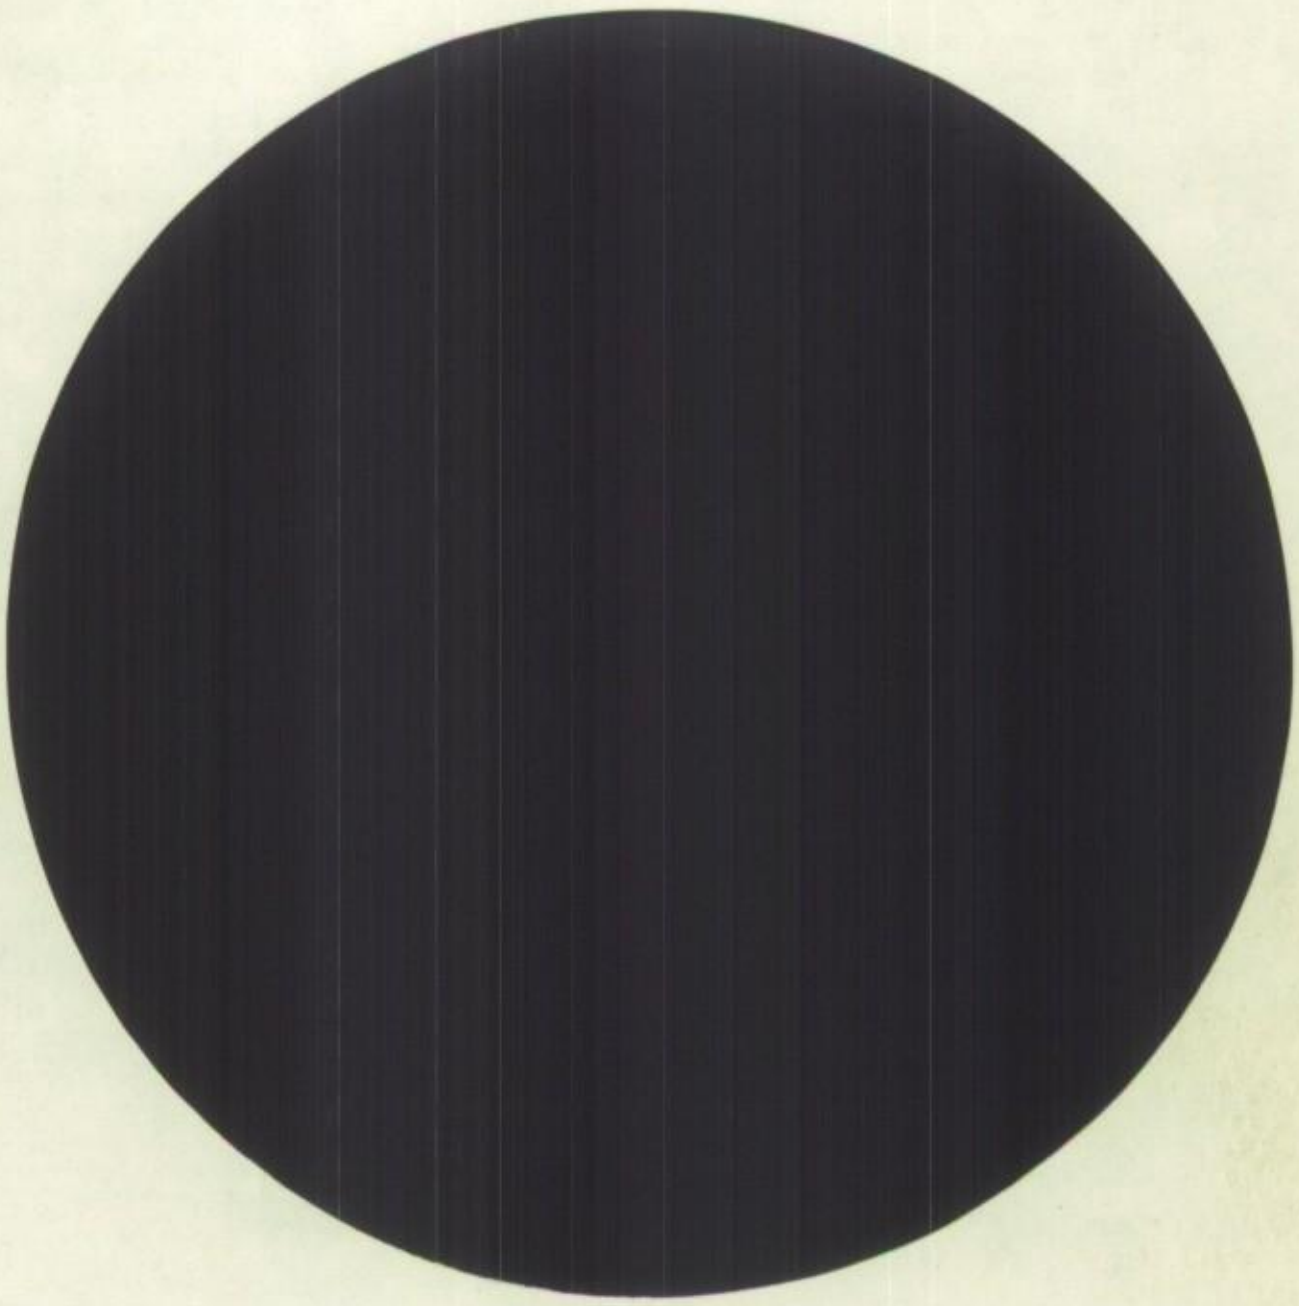
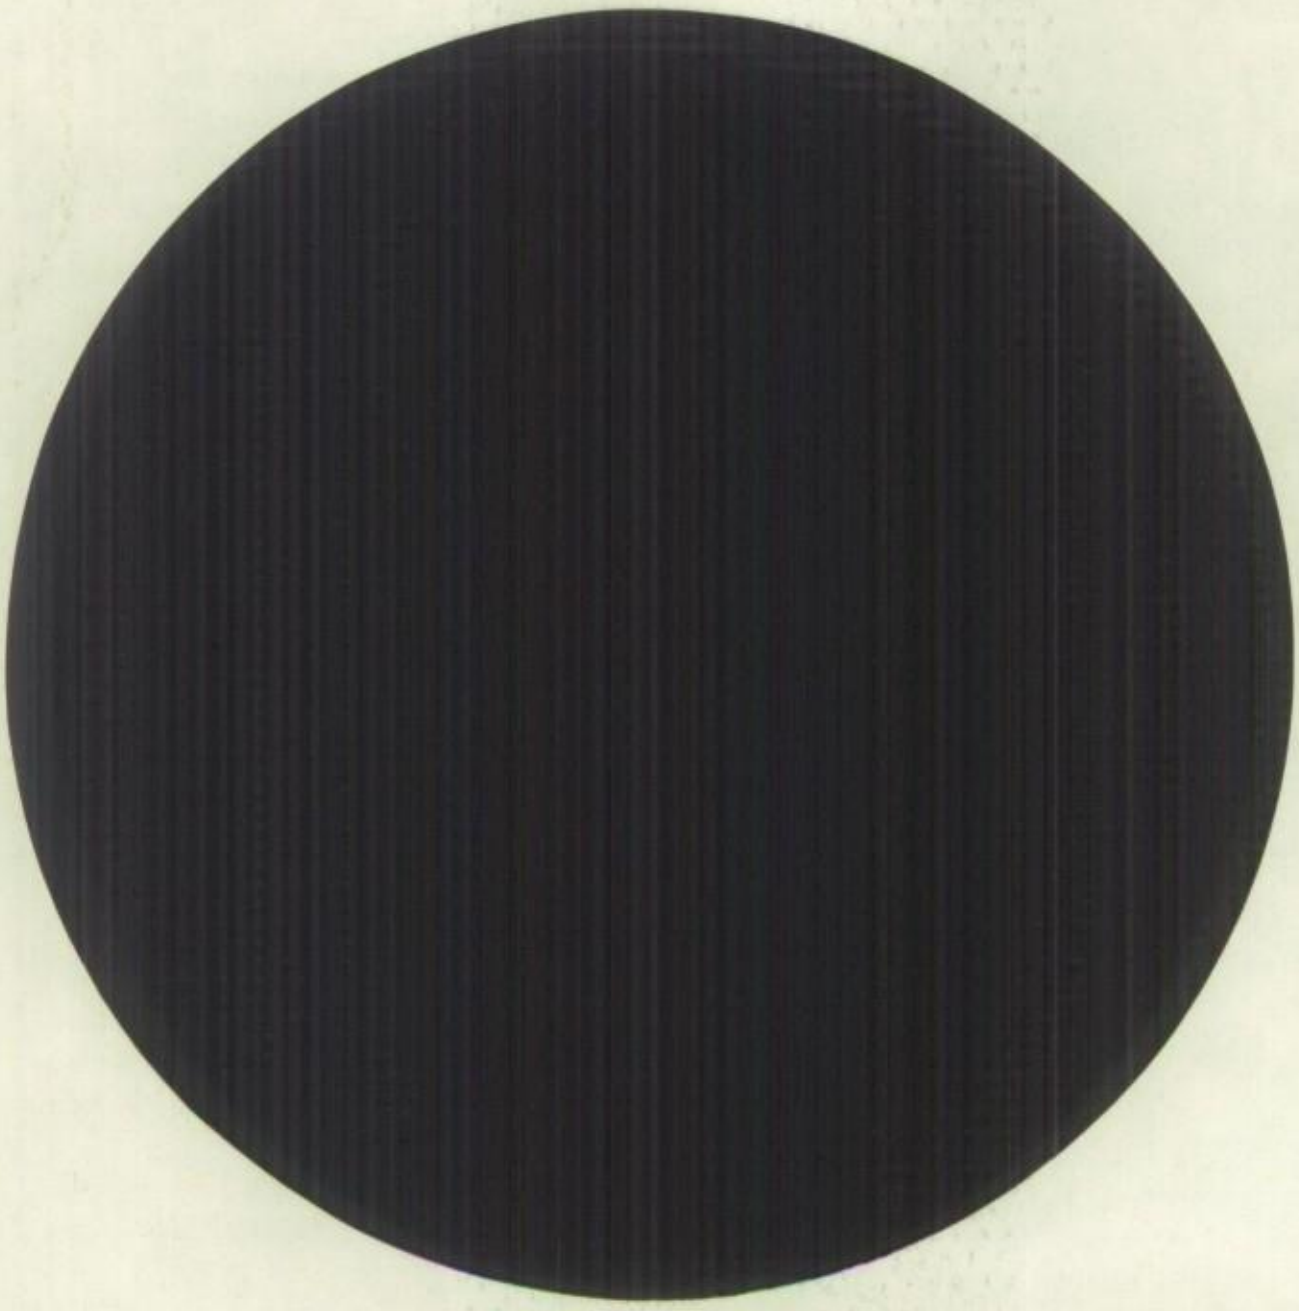
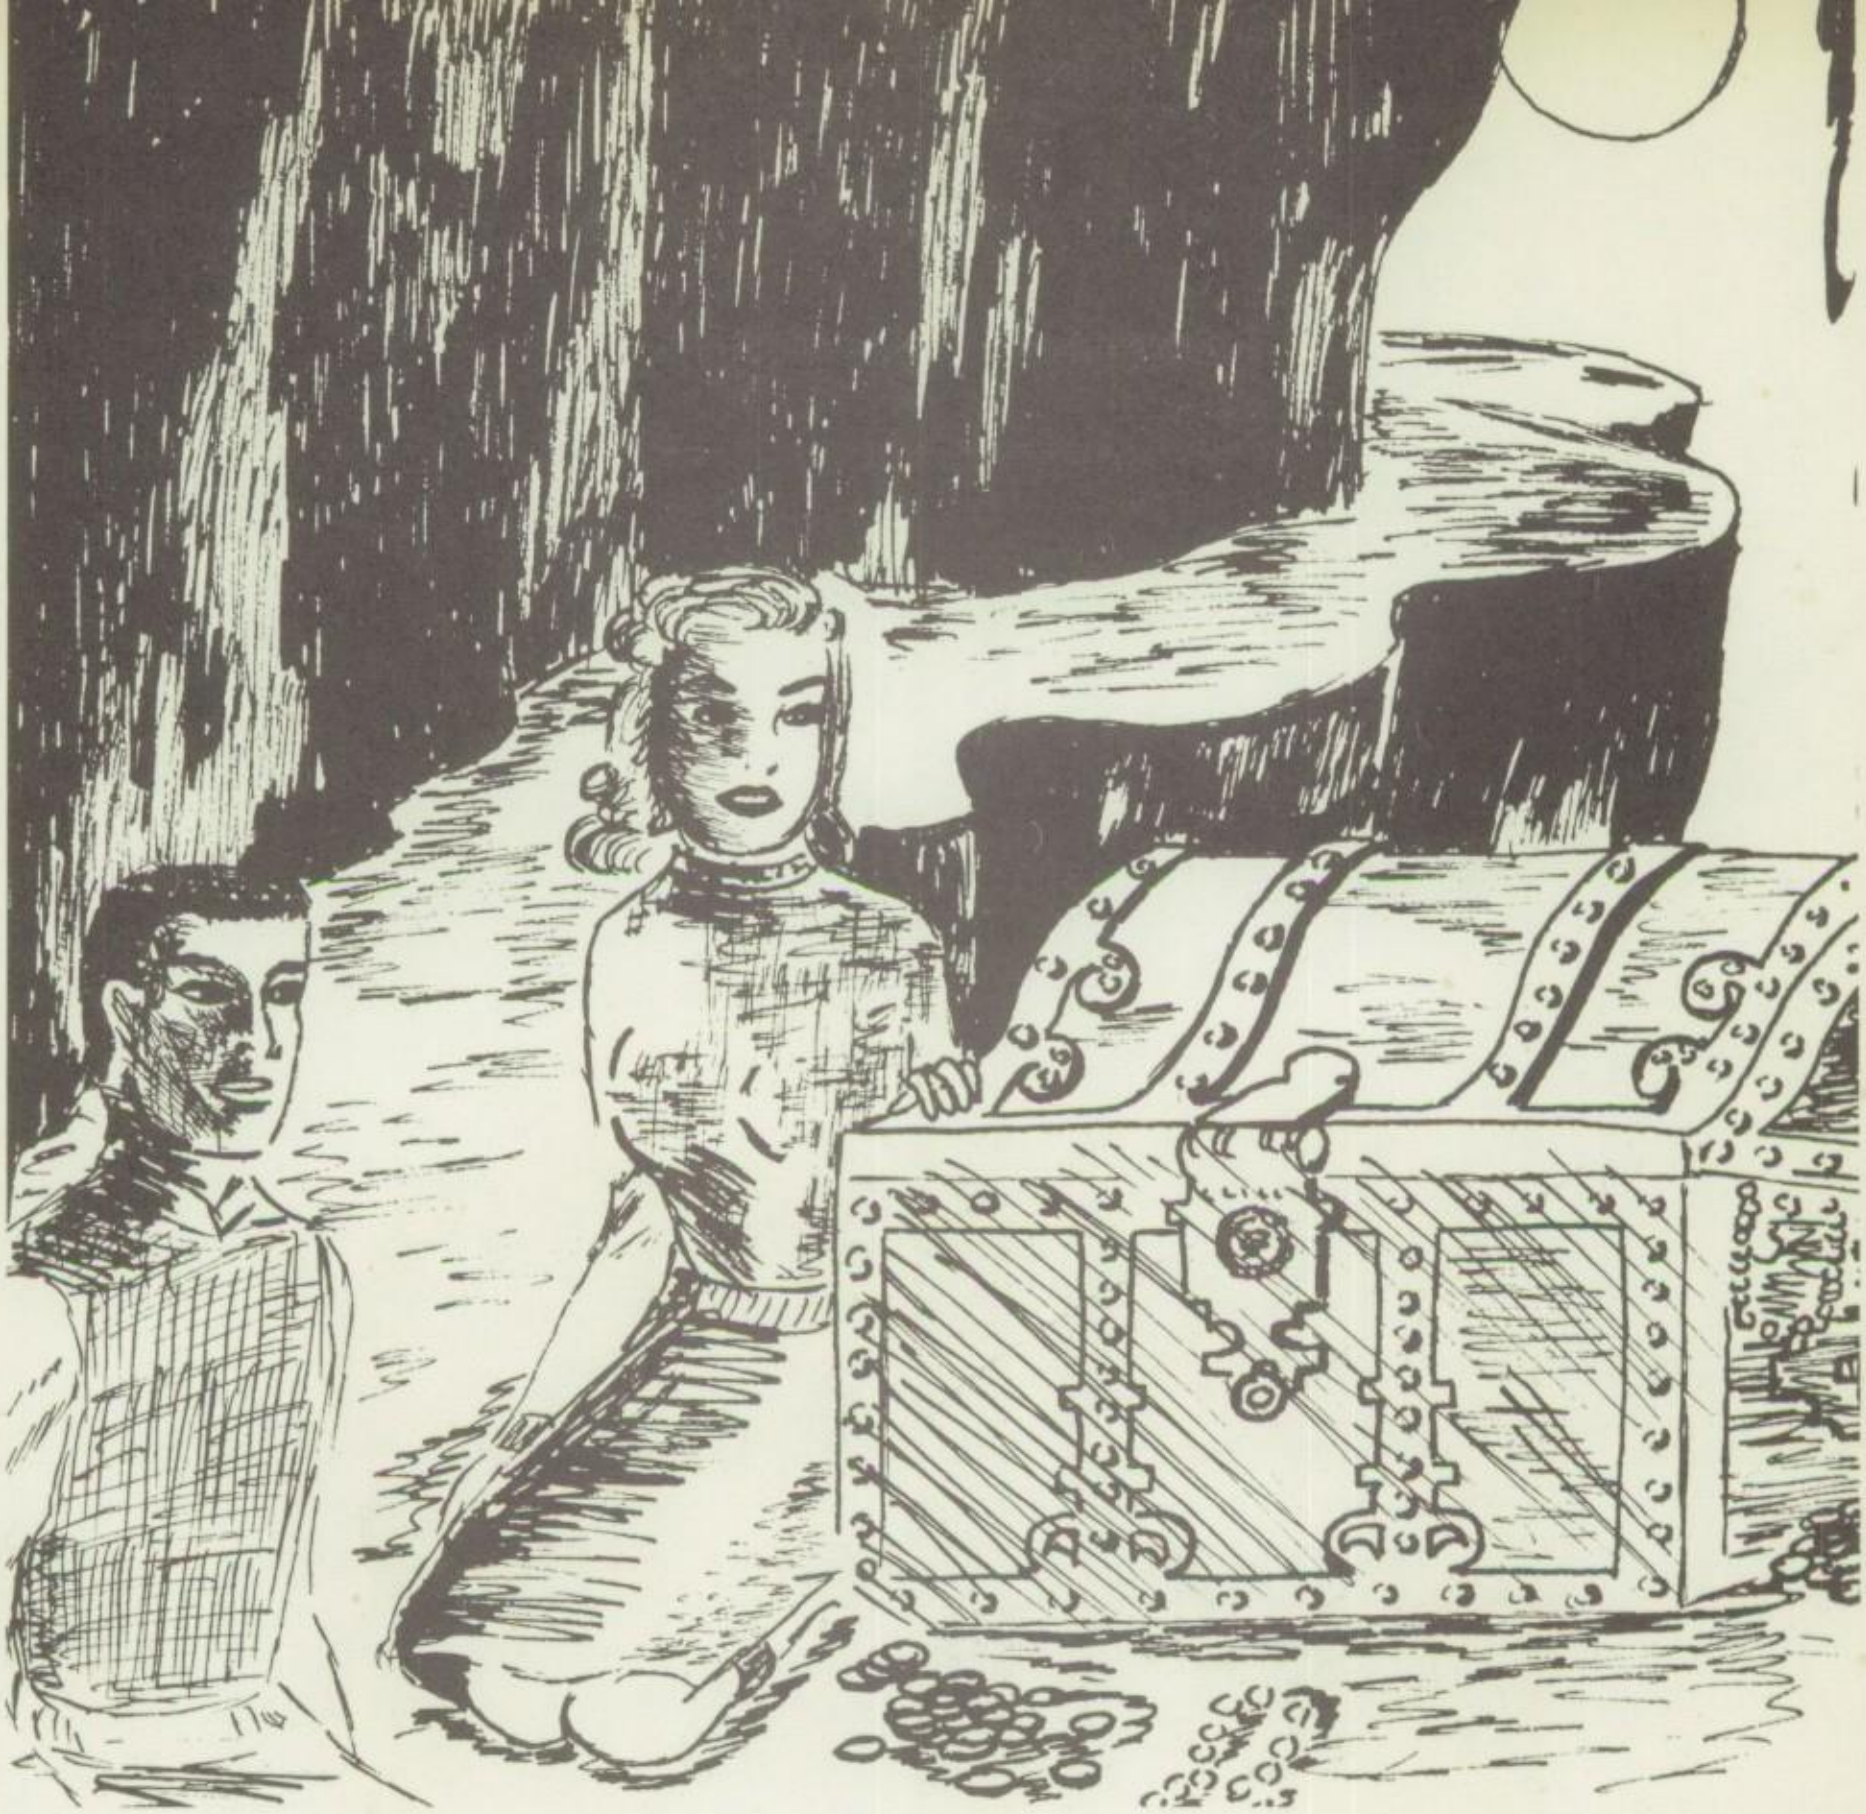
THE BULLDOG







All families, communities, churches, yes, even nations have traditions. So do schools. Our annual is one tradition of Steele High School, Steele, Missouri. What is a tradition?

A tradition is said to be a custom, culture, belief or practice handed down through the years. Traditions become a part of the people concerned. They are a treasured page in our book of memories. They are vital, living phases of our lives. How drab our existence without them!

This tradition which you now hold is one which we hope will never cease to be a joy to you. We hope it will become an integral part of your treasure chest--not to be shut away, however, but cherished through the years. Turn through it often to keep you memories of Steele High School alive and to help you re-live the experiences so dear to all of us.

BOARD OF EDUCATION

Progress moves forward, directed by the highly effective Board of Education, motivated by an unselfish spirit which dedicates this school to the educational service of the masses of our people. This dedication guarantees the greatest of all safeguards for a permanent democracy, the building of character in those who will in the future be responsible for our community.

All worthwhile progress has always been a steady growth, and can be attained only with the direction of unselfish, conscientious men who recognize the needs of the community and dedicate their whole beings to their attainment.

SENIOR MESSAGE

At the present moment the most fascinating subject of our thoughts is in the future--our future. What will it be? Whatever problems shall puzzle us, whatever difficulties confront us, may we always have the courage of our convictions and the faith in ourselves that is so essential if we are to make our dreams a reality.

We are grateful to our school and wish for it an increased growth and prosperity. We feel our instructors from first grade through high school are providing the best instruction available and providing it with most sincere interest.

May our Board of Education, which has always consistently and admirably fulfilled its duties, find a reward in the achievements of boys and girls who graduate from Steele High school.

To the non-teaching personnel whose services cannot be overestimated we are grateful.

As we join the alumni, may we bring honor to the school of which we are so soon to be graduated. May we cooperate with our administrators to whom we owe our inspiration and whatever measure of success we may achieve.

To the student body may we say with McCrae, "To you from falling hands we throw the torch. Be it yours to hold it high."

OUR TIME IS RUNNING OUT

Dear Charles, I hope you get through "Geometry"
Ostrayluck, Ethel Baxter
SCHOOL HEALTH CENTER

Students of Steele schools have available the above equipment consisting of a Keystone Visual Survey
rvice, or telebinocular, for testing of vision, and an audiometer for testing hearing. Hundreds of stu-
nts are tested yearly. Any student may have this service upon recommendation of the teacher or an
plication of the student or parent. Many otherwise undetected defects are discovered and further ex-
ination and treatment recommended.

Dear Miss Eggert
I have enjoyed
having you in class, and
look forward to having you
in American History next year.

HIGH SCHOOL BASEBALL

The Bulldogs have reigned as county champions since the county baseball league was organized three years ago. During this time they have won four first-place trophies, and compiled an amazing record of 38 wins and 5 losses. At one time this year they had a 30-game winning streak.

The star pitcher of the team is Doug Medlin, who has a record of 13 wins to 1 loss, and at the same time he had a batting average of .400. Three members have played all three years. They are John Frame (.500), Glenn Samford (.400), and Butch Frakes (.300).

Coaches to whom much credit should be given are James Dickerson (1956-57), Jordan Needham (1957-58), and Rex Bailey (1958-59).

Back Row: Mr. Rex Bailey, Coach; Doug Medlin, Eddie Burton, Lewis Lineberry, John Frame, Dale Bullington, Robert Holly, P. K. Jackson, Glenn Samford, Ray Earls, Mr. Jimmy Bowman, Assistant Coach.

Youth Must Be Served!

And I'm the guy to do it! "Service" is my middle name. No matter who you are, I'm with you all the time. You probably don't think much about it, but I help you in dozens of ways, every day...at the flip of a switch.

Why waste YOUR time and energy in your home, on the farm, in the office or plant. I'm on duty 24 hours a day. I never take a day off...not even for holidays or Sundays.

And I'm the lowest-priced servant in history. I work around the clock...around the calendar...for only pennies per day.

I'm stronger than a horse...I travel at the speed of light...I'm "The Mighty Atom" in person...I'm

Several factors were responsible for our late "Ad" sale this year. We realize that it is better to have it earlier in the year, but this year it was not possible for us to do so. But still we received wonderful cooperation from our advertisers, and we appreciate it very much. If we failed to contact anyone this year, please believe it was not intentional. We shall see all of you next year.

Again, thanks--so-o-o- much!

OUR TRIP OUT WEST

The table scene and bulletin board portray scenes of places visited by Mrs. Frame's Third Grade class while on an imaginary trip to the west. The replicas were made by various students. The children at the table are Joe Allbritton, Michael Franklin, Jackie King, Mart Chester and Michael Shepard.

We just couldn't leave out this second picture of the junior high cheerleaders.
